

I as well as the rest of the community need K-LOVE. I can not understand how you would even consider taking it off the air in my area. It is the only station that does not fill the mind with junk from sales pitches and music that is embarrassing, nasty and sexually suggestive. K-LOVE is filled with love for others and God and it shows in the great music and in the words of each person heard on K-LOVE. Our world has too much sin(evil), hurt, disappointment, and anger already. K-LOVE is greatly needed by all. It brings happiness, love, encouragement, wholesome values and positive outlooks to anyone who wants to listen. K-LOVE does this because they truly care about people and want share this hope with them. We really need K-LOVE. Adults, children, and teens all enjoy and benefit from the music and the uplifting attitude of K-LOVE. PLEASE, PLEASE, PLEASE, don't take away our K-LOVE. So many people would miss out on so many blessings. KEEP K-LOVE! KEEP K-LOVE! KEEP K-LOVE! Thank you so much.
